PROSTATE FORMULA XP

The Natural Way to Support Lowering Prostate-Specific Antigen

Prostate Formula XP is a traditional medicine preparation, which can be used to nourish the kidney and to treat a lack of energy caused by insufficiency of kidney Qi, poor urination, residual urination or incontinence; chronic prostatitis and prostatic hyperplasia. Its function is to promote blood circulation and dissipate blood stasis, reduce inflammation and relieve pain.

As a pure natural rapeseed flower pollen preparation, Prostate Formula XP naturally has the ingredients and pharmacological effects of rapeseed flower pollen. Because of its safe and reliable efficacy and no obvious toxic and side effects, it is the first choice of natural botanicals for prostate diseases. It's efficacy is extraordinary.

The pollen of the bright-yellow flowering member of the family Brassicaceae pollen contains 11 vitamins. These 11 vitamins play an extremely important metabolic function in the human body, and have been known to have a certain effect on enhancing physical strength and endurance, promoting human development, and preventing and treating diseases.

Brassica napus contains 23 kinds of mineral elements. Among the nutrients required by the human body, various mineral elements are indispensable, such as: phosphorus, potassium, calcium, magnesium, iron, sodium, zinc, manganese, copper , molybdenum, lead and cobalt, as well as nickel, chromium, iodine, selenium, thorium, vanadium, strontium, lanthanum, barium, cadmium, yttrium, etc. It also contains active substances such as lipids and polysaccharides, flavonoids, nucleic acids, various enzymes and coenzymes.

L. Rapeseed pollen is currently considered as the best pollen material for treating prostatitis and prostatic hyperplasia. As early as 1962, Dr. Li Endianlu of Sweden used rapeseed pollen to treat 100 patients with prostatitis, and as a result, 80% of the patients recovered. Since then, there have been reports that many men suffering from prostatitis can be cured due to the effect of rapeseed pollen.
